Subject: RE: Has Oxitec filed an application with the EPA?

Dear Jaydee,

We have recently received an application for an experimental use permit from Oxitec for a GE mosquito. Consistent with our policy, In the coming weeks we will post a Notice of Receipt regarding this application in the FR and open a 30 day comment period and establish an electronic docket. When that occurs, I can send you a link to the docket if you would like.

Regards,

Chris

Subject: Has Oxitec filed an application with the EPA?

Dr. Wozniak,

I am reading in the press that Oxitec, a GE mosquito company has filed an application with the EPA. I assume that this would come to your office. I cannot find on your website notice of this application. Will that be posted with a docket soon?

Thank you,

Jaydee Hanson
